++ Valid for broadcast between 1800 and 0600

Headline:
Showers easing to a clear evening.

This Evening and Tonight:
Remaining showers fading for a time to leave a mild night with clear spells and some fog patches developing inland. Further, areas of heavy showery rain perhaps possible towards dawn. Minimum temperature 15 deg C (59 deg F).

Tuesday:
A mostly dry but cloudy start for many with perhaps some isolated showers. Heavy thundery showers then likely developing by late morning, these continuing into the evening. Maximum temperature 27 deg C (81 deg F).

Outlook for Wednesday to Friday:
Changeable and often breezy, with a mixture of sunshine and showers, some heavy and thundery. Perhaps more generally wet for a time later Thursday into Friday. Feeling less warm.
